

HEALTH AND SAFETY MANAGEMENT SYSTEM POLICY STATEMENT v2

18th April 2019

Avert Fire Ltd recognises that we have a moral and legal obligation to provide and maintain a safe and healthy working environment for all our employees and any other people who may be affected by our activities.

We maintain a health and safety management system that meets the requirements of ISO 45001:2018

The scope of our system is:

The construction, management and maintenance of low rise buildings. The manufacture of flame retardant products. The installation, maintenance and servicing of active and passive fire protection systems, fire alarms, emergency lighting and fire appliances.

Our policy:

- Provide enough resources to make sure that we meet our legal duties with regard to health and safety.
- Committed to eliminate hazards, reduce OH&S risks, prevent accidents & causes of work related ill health.
- Provide a safe and healthy working environment for those who may be affected by our activities.
- Define and review actual and potential risks that our activities may have on the environment or the safety of those that may be affected by our activities.
- Provide adequate control of the health and safety risks arising from our activities.
- Ensure that our employees and those working on our behalf are competent to carry out their tasks.
- Provide our employees with suitable training.

We are committed to continual improvement by setting objectives and targets, and reviewing our performance on a periodic basis.

To involve our employees and contractors in consultation and participation so they can carry out their roles effectively and safely and with minimum environmental impact.

Encourage the co-operation, commitment and communication of all employees and those working on our behalf in the implementation of our health and safety policy.

Recognise that employees and those working on our behalf have a duty to take reasonable care for the health and safety of themselves and any other person who may be affected by their actions.

Recognise that employees or those working on our behalf do not need to follow any instructions that they reasonably believe jeopardises their safety or the safety of others.

Review and revise this policy as necessary during the planned management systems review.
